Aerospace Solutions Line Card

OSRAM Opto Semiconductors	Products | High power LEDs, optical sensors, infrared emitting diodes, silicon-photodetectors & intelligent displays
BOURNS®	Products | Manufacturer and supplier of circuit protection solutions, magnetic products, trimming and precision potentiometers, panel controls and encoders and resistive products
caplugs®	Products | Product protection; caps, plugs, tubing, and other potective closures
CEL	Products | Fiber optics, wireless devices, optocouplers, & solid state relays
Displaytech a seacomp company	Products | A major supplier of LCD modules as well as a contract manufacturer for display based PCB assemblies and turnkey products
FINISAR	Products | Fiber optic transceivers compliant with gigabit ethernet, fibre channel, & SONET/SDH
ICM	Products | High quality printed circuit boards at cost effective pricing
maxim integrated™	Products | Maxim creates high-performance semiconductor products and is a leader in analog innovation and integration.
nichicon	Products | Capacitors including chip, miniature and large can aluminum electrolytic, and plastic film
TTM Technologies	Products | PCB rigid-circuits, RF & microwave circuits, heatsinks, buried resistor, and capacitance
SILICON LABS	Products | Silicon Labs is a leading provider of silicon, software and tools for the Internet of Things, Internet infrastructure, industrial automation, consumer and automotive markets.
