

# Aerospace Solutions Line Card

**BOURNS®**

**Products** | Manufacturer and supplier of circuit protection solutions, magnetic products, trimming and precision potentiometers, panel controls and encoders and resistive products

**CEL**

**Products** | Fiber optics, wireless devices, optocouplers, & solid state relays

**caplugs®**

**Products** | Product protection; caps, plugs, tubing, and other protective closures

**FINISAR**

**Products** | Fiber optic transceivers compliant with gigabit ethernet, fibre channel, & SONET

**Products** | High quality printed circuit boards at cost effective pricing

**nichicon**

**Products** | Capacitors including chip, miniature and large can aluminum electrolytic, and plastic film

**OSRAM**  
Opto Semiconductors

**Products** | High power LEDs, optical sensors, infrared emitting diodes, silicon-photodetectors & intelligent displays

**Products** | Silicon Labs is a leading provider of silicon, software and tools for the Internet of Things, Internet infrastructure, industrial automation, consumer and automotive markets.

**TTM Technologies**

**Products** | PCB rigid-circuits, RF & microwave circuits, heatsinks, buried resistor, and capacitance
